INDIAN MARITIME UNIVERSITY
(A Central University)

India is traditionally a maritime nation and has a rich maritime heritage. History documents trade links of India had with other nations of the world from the ages of Harappan civilization. With a long coast from the State of West Bengal on the East to State of Gujarat on the West, India today moves 95% of its traded goods by volume to the rest of the world. Ports and Shipping form the integral part of the maritime sector contributing greatly to the economic growth of the country.

An Affiliating University: The Indian Maritime University, established through an Act of Parliament on 14/11/2008 as Central University, is poised to play a key role in the development of required human resource for the maritime sector. The Indian Maritime University, being the first of its kind in the country will cater to the educational requirement of the maritime fraternity. It is a teaching and affiliating University which will offer degree, post graduate degree and research programmes in all disciplines of maritime sector.

Visakhapatnam Campus

The IMU Visakhapatnam Campus emerges from the confluence of the centrally established Indian Maritime University at Chennai, and India’s premier ship design and maritime research institution, the National Ship Design and Research Centre. Pioneered in the early’90s by the Government of India to pilot and consolidate national domain knowledge with global vision, NSDRC has undertaken several milestone projects in the areas of Ship Design, Construction and Applied Research.

Therefore, IMU Visakhapatnam Campus heralds the integration of visionary academic insight with the accumulated professional expertise and knowledge base on Ship Design and Maritime Technology.

Presently Visakhapatnam Campus is located in the former NSDRC Office and residential complex on a 5 acre property located on the main road connecting Naval Base and Scindia junction (Hindustan Shipyard) on one side and HPCL and Visakhapatnam Steel Plant on the other side.
School of Naval Architecture and Ocean Engineering is offering the following courses for the academic year 2013-14.

1. B.Tech. in Naval Architecture and Ocean Engineering
2. BSc. in Ship Building and Ship repair at cochin campus
3. M.Tech. in Naval Architecture and Ocean Engineering
4. M.Tech. in Dredging and Harbor Engineering
5. Research Programme leading to Ph.D. degree

This advertisement is for the following PhD Course only.
