Circular 1624

Sub: Eligibility Criteria - Educational Qualification -reg

* * * * *

1. Admissions to UG / PG courses conducted in IMU and Affiliated Institutes are done through an All-India Common Entrance Test [CET]. In the Academic Brochure 2016-17 of IMU the eligibility criteria for all the courses have been mentioned i.e., Percentage of marks obtained in Plus 2 / Degree, Age limit, Medical fitness etc.

2. One of the major component of the eligibility criteria is the educational qualification. The minimum qualification required to apply for various courses is stated in the Academic Brochure. In this connection it is reiterated that wherever the required minimum marks is prescribed, the same should be exactly fulfilled by the student. The Candidates are not allowed to round-off the decimal figures to next higher integers.

For Example: 60% marks in PCM in Plus 2 is one of the mandatory eligibility criteria for UG admissions in IMU Campuses and Affiliated Institutes. If a Candidate has obtained 59.9% in PCM he is not eligible for admission and he is not allowed to round-off the same to 60% and claim himself as eligible.

All the Affiliated Institutes are requested to take not of the above. To summarize passing the Common Entrance Test (CET) conducted by IMU is one of the essential eligibility criteria for admission, along with criteria relating to age, marks in Plus 2 exams, medical fitness, etc. as set out in IMU’s Academic Brochure 2016-17.

Affiliated Institutes should not make any admissions of students unless they have qualified in the CET 2016 and if any such candidate is admitted, with a lower PCM as stated in para (2) he will not be given admission registration number nor will he be allowed to appear in any of the scheduled examinations of the IMU.

To,
The Campus Director of Raw / Campuses.

The Principals of Affiliated Institutes.
