Hi Demo User 28!

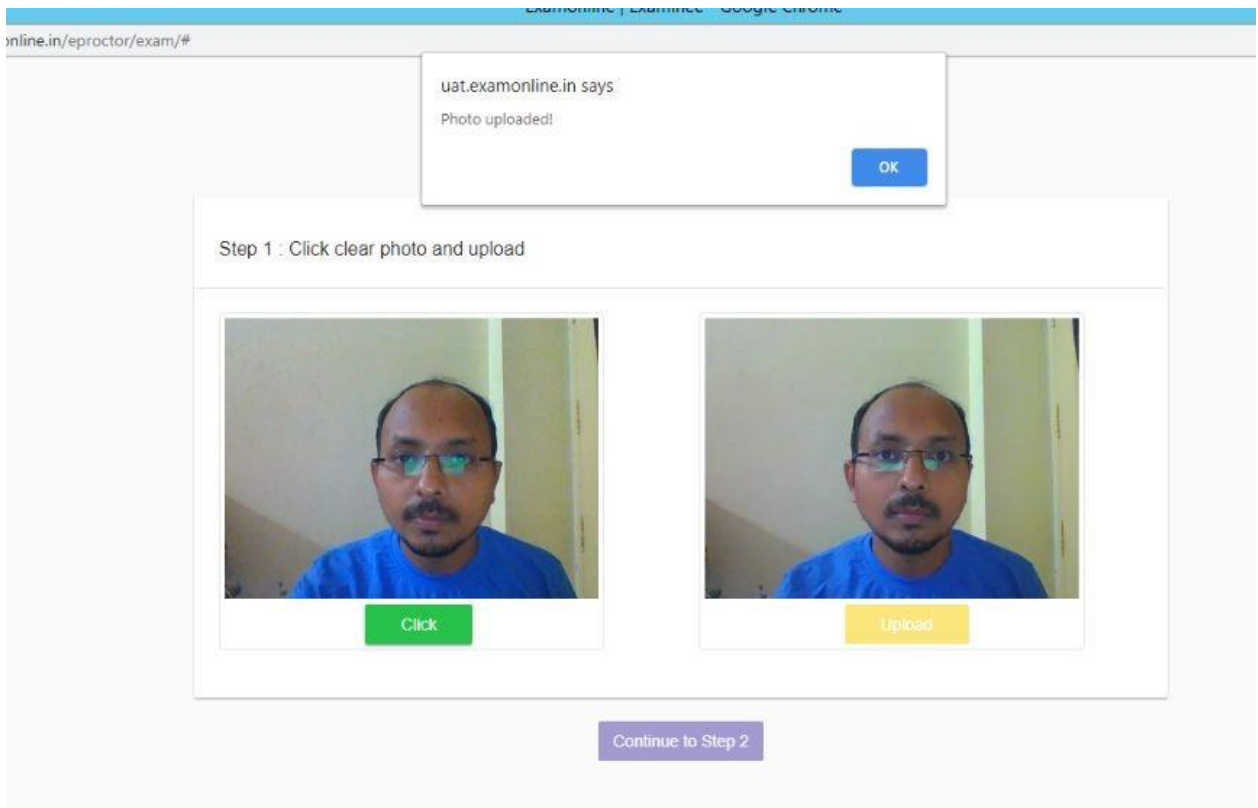

Kindly read the following instructions :

- You must sit in a silent room with no background sound
- There should be proper light on your face
- Ensure a plain and contrast color background behind you
- Before you start the exam, you need to verify your photo and ID card.
- Please go through the following 2 steps of verification process :
 - **Step 1** : Click your photo and upload
 - **Step 2** : Click clear photo of your ID card (eg. Driving License, PAN Card, etc.) and upload
- After this you need to click on the button 'Start Verification'.
- An authoriser will connect to you for verification.
- As soon as the authoriser finds everything ok, he will let you start the exam.

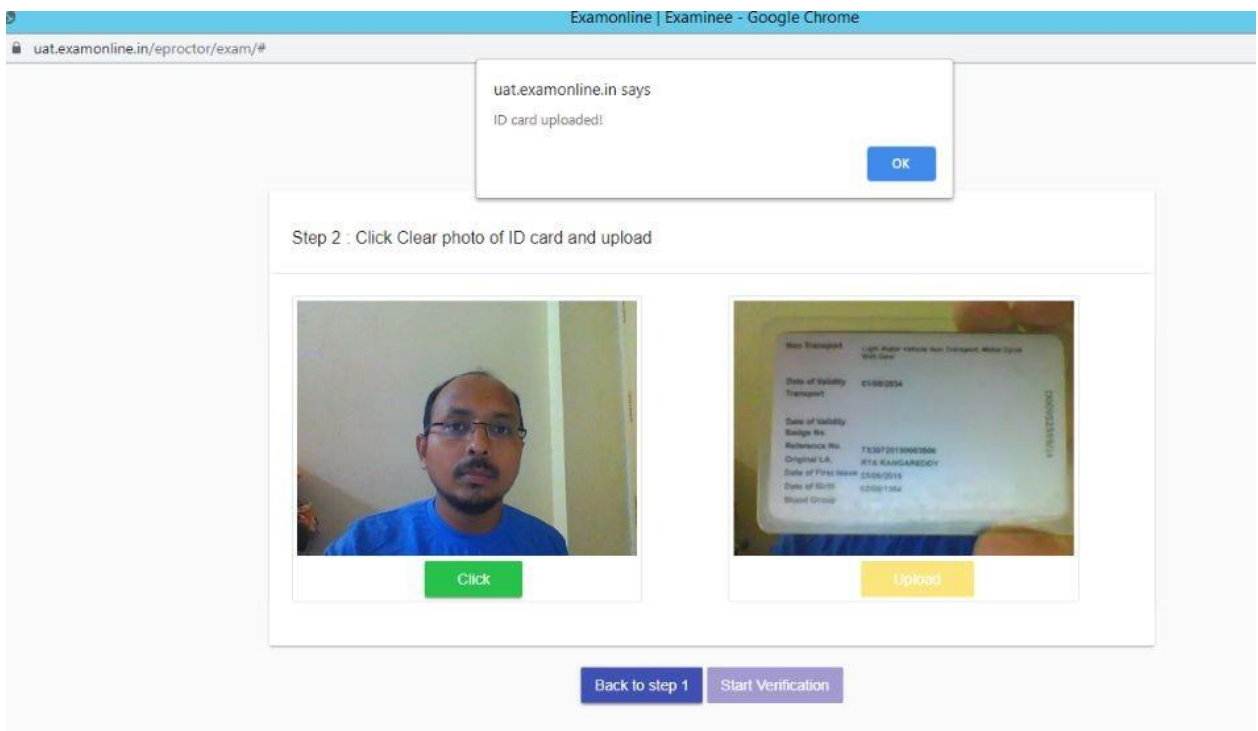

Continue to Step 1

8. Below screen will be open.

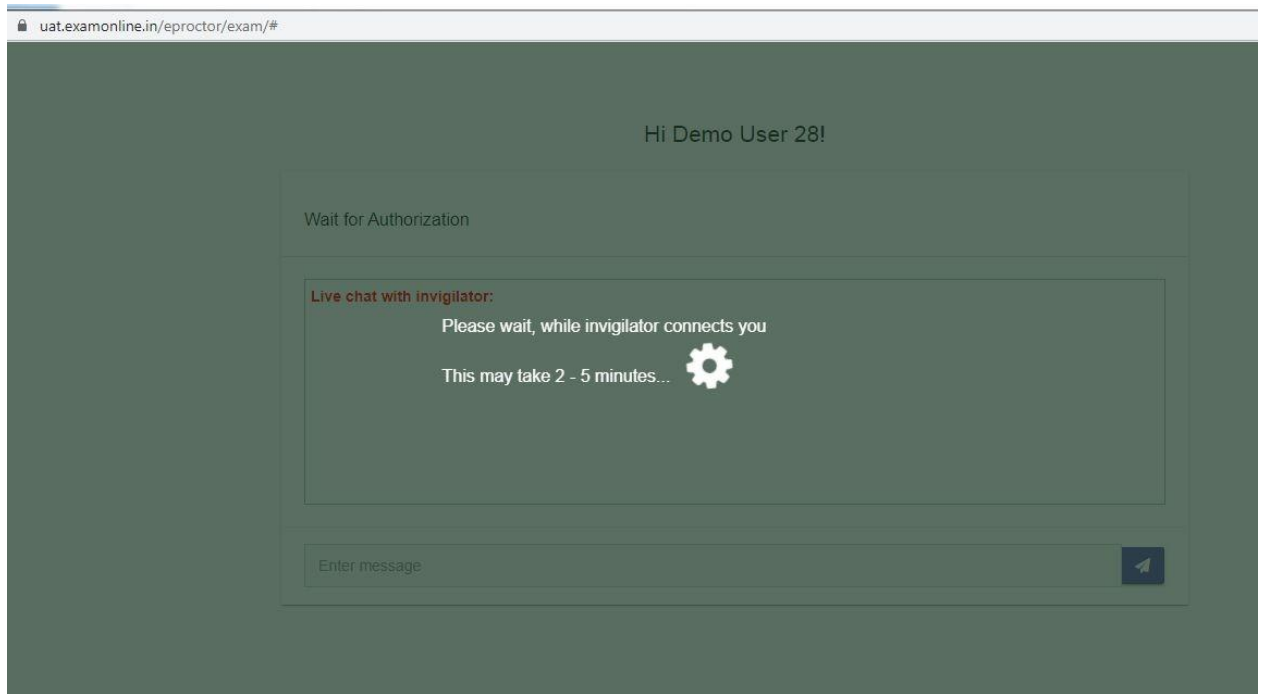

- Click a clear photo, then click on upload button
- 'Photo uploaded' pop up will be shown. Click on Ok
- Then click on 'Continue to Step 2'

- Repeat the same steps like above by capturing any ID proof/other Pic. Then click on 'start verification'

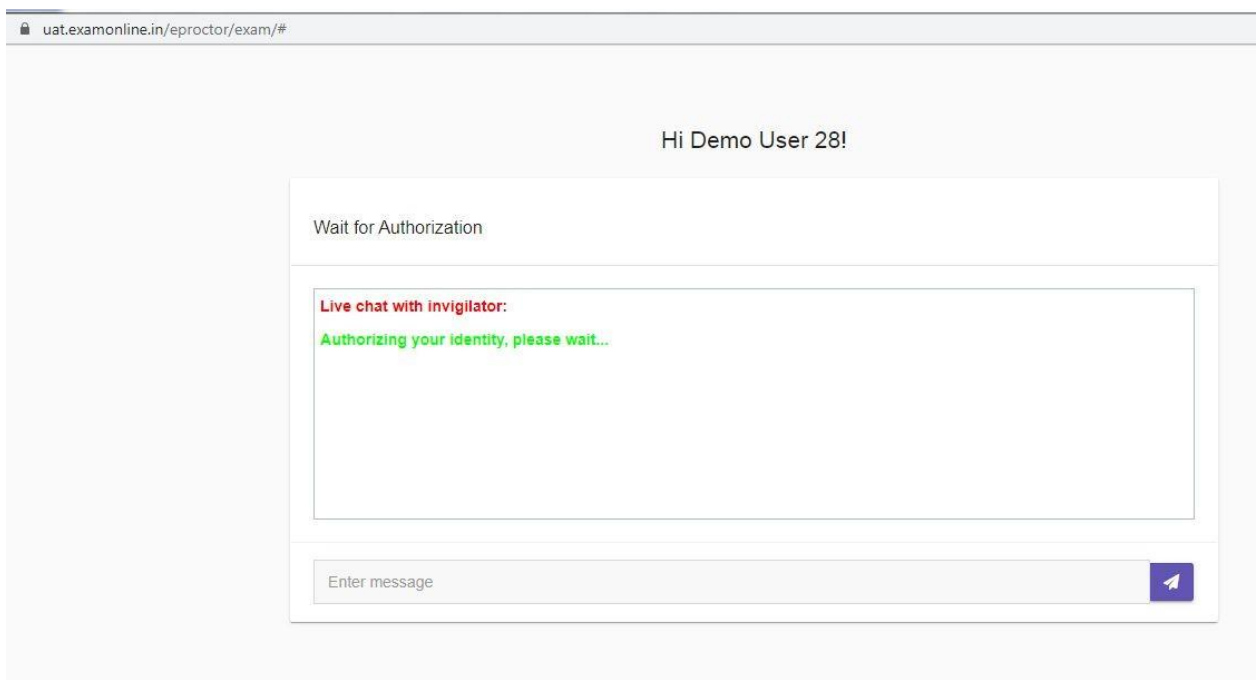

- You will be shown with below screen. NO action to be performed.
 - Wait for the next screen load

11. You will be shown with below screen.

- Wait for the next screen load

NOTE: In this screen, authorizer might chat with you and can reply accordingly (optional)

12. You will be shown with below screen.

- Wait for the next screen load

Hi Demo User 28!

Wait for Authorization

13. You will be shown with below screen.

- Wait for 'I am ready to begin' button display. Once button enabled, click on the same.

The screenshot shows a web browser window with the URL `uat.examonline.in/eproctor/exam/#`. On the left, there is a user profile card for 'Hi Demo User 28!' with details: Reg No.: 1000734, Email: mahendhar@examonline.in, Phone: (blank), and Remaining Test Time: 60 Min. The main content area has a blue header with 'INSTRUCTIONS:' and a language dropdown set to 'English'. Below this is an 'INSTRUCTION SHEET' section with the heading 'Your Test will start only after you have read these instructions'. The instructions list: 1. This is a multiple choice objective test. 2. There are 50 questions in all; each has a set of four answer options, of which only one is correct. 3. The duration of the test is 60 minutes (No extra time will be given). 4. The candidate must record his/her choice by clicking on an option. 5. All questions carry equal marks. 6. Scoring scheme is as below:

- Right answer will get 1 mark
- Wrong answer will get 0 negative mark
- Unattended answers will not get any mark

 7. The Test engine allows you to navigate to any question during the test. 8. You may change your answer or choose not to answer a question anytime during the test by clicking on the **RESET ANSWER** option at the bottom of the screen. 9. Talking or consultation in any form—books, notes, or copying—is strictly prohibited during the test. 10. Mobile phone or similar devices will not be allowed into the exam hall (The same may be handed over to the proctor/supervisor during the test period). At the bottom of the instructions, there is a blue button labeled 'I am ready to begin' with a right-pointing arrow.

14. Exam screen will be opened, give exam with random questions answering etc. Perform all possible activities in that.

NOTE: You can chat with proctor using chat window at right side panel
