I want to take this opportunity to acknowledge, with utmost gratitude, and appreciate the sincere efforts put in by TC(EC) during the conduct of Blood Donation Camp within the premises of Indian Maritime University (IMU), Kolkata Campus at Taratala on 23 Sep 21.

2. As part of celebration of World Maritime Day and Nation's 75<sup>th</sup> Year of Independence, Cmde Ashok Bhal, VSM (Retd), Director IMU, Kolkata, had proposed conduct of the Blood Donation Camp for utilization by our brethren in the Armed Forces and their dependents. The spontaneity with which you accorded the preliminary concurrence to the proposal gave a huge boost to this endeavour. The subsequent follow-up actions between your organization and IMU, leading up to smooth conduct of the camp itself, wherein 60 units of blood were donated by the HoDs, Faculty, Staff and Cadets of IMU, has only been feasible due to the whole-hearted support and meticulous coordination of each and every associated activity. Encouraged by the enthusiastic response, we are keen to take this forward and are contemplating to turn it into an annual event, seeking similar cooperation from your organization in the future too.

3. I must also acknowledge the dedication and hands-on supervision by Sub Rajendra Kumar and Nb Sub Ajay Kumar, who ensured that all the equipment/ accessories required for the Camp were transported and set-up within the IMU Dispensary well in time and that each donor was provided the requisite medical attention during the process of collection of blood. Further, one could clearly make out the "visible impression" that the Army Jawans were making on the Young Cadets (Boys and Girls) by their sober conduct and smart military bearings. Their extremely professional conduct is evidently a direct reflection of the exemplary leadership provided by you at TCEC.

4. On behalf of the Navy Foundation, Kolkata Chapter I would like to place on record our sincere gratitude and highest appreciation for the spontaneous support and excellent cooperation extended to IMU Kolkata authorities for successful conduct of the Blood Donation Camp, which is a noble act in itself.
