

भारतीय समुद्री विश्वविद्यालय
INDIAN MARITIME UNIVERSITY
(Central University, Govt. of India)
HEADQUARTERS

Dear Alumni,

The **Indian Maritime University**, founded in 2008, is a multi-locational institution focussed inter alia on Nautical Science, Marine Engineering, Naval Architecture, Ocean Engineering, Maritime Management, and Port and Shipping Logistics. The University has evolved from erstwhile centres of repute that include Dufferin, Rajendra, Chanakya, MERI, DMET, NSDRC, IIPM and NIPM.

As Vice Chancellor of the university, it is my privilege and pleasure to welcome all of you to be a part of the alumni community. I believe that as alumni you are our ambassadors and torch-bearers. As we set out on our voyage towards greater heights, we look forward to your support in realising the true vision of this University.

Shipping is a cyclical sector that constantly faces currents and counter currents. At a time when the students and cadets are navigating through difficult times, we invite you to lend a hand in building confidence in the student community, strengthening partnership with the University and in realising our goals to be a premier maritime nation. I look forward to receiving your views and suggestions to strengthen our relationship.

Date: 07.09.2020

Dr. (Mrs.) Malini V Shankar, I.A.S. (Retd.)
Vice Chancellor
